EXPERIENCE

JT's Outdoor Fabrics, Barrie — *Sales/Customer Service*

JUNE 2022 - PRESENT

At JT's, I am an integral part of the customer service team. My tasks include: invoicing/data entry, picking/packing orders, warehousing, coordinating with suppliers/couriers, and shipping.

Digitera Interactive, Remote — *Mobile Application Developer*

FEB 2021 - JUNE 2021

At Digitera (High School Co-Op), I, along with other students, were tasked with designing mobile applications. Initially, I worked predominantly with Android (Java/Kotlin); however, later transitioned to Flutter (Dart) to allow for cross-platform development.
